Range Note: We are pleased to offer you an opportunity to join the ISRA and ISRA Range. You may choose from an individual or family membership. Range memberships are available to those 21 years and older. All primary range members must have a valid FOID card. A FOID card is not required for children under 21 years of age that are included on a range family membership. All range family members must be accompanied by the parent or guardian at all times. A one-time \$100 initiation fee is included in all new range memberships. Once your range membership is accepted, you will receive a complete set of Range Rules and Regulations and other pertinent information regarding the shooting ranges. ALL range rules are strictly enforced. Failure in following the rules will result in membership revocation. There will be a \$25 fee to replace lost or stolen range key cards. Fees in effect as of January 1, 2020.

ISRA dues and donations are not tax deductible. Note: CVV code is REQUIRED

ISRA Note: Family memberships are limited to spouse and children (under age 21, living at home). We offer one newsletter per family membership. Family memberships carry only one vote in Director and Officer elections and any matters that may come before the membership during meetings of the members as provided for in the ISRA bylaws. That single vote is cast by the primary member listed above.
