Pistol Approval Procedure. The CMP will maintain a current list of “CMP Approved Service Pistols” on its website at <http://thecmp.org/competitions/cmp-pistol-program/>. If a pistol is not listed in Rule 6.3.3 or 6.3.4 or on this “CMP Approved Service Pistols” list as an Approved Service Pistol and it appears to fulfill the requirements of Rule 6.3, a request may be submitted to CMP Competitions (competitions@thecmp.org) for the CMP to consider approving the pistol and adding it to the current list.

2023 Illinois State Outdoor Pistol Championship NRA Distinguished Revolver Match Program

Dates: Saturday and Sunday August 12 & 13 2023. This match will be fired immediately following the completion of the State Championship relay each day.

Who May Compete: All members of the NRA. Competitors under the age of 16 must have waivers signed by a parent or guardian to participate.

Fee: None (Competitors must provide their own ammunition)

Entries Limit: 1 relay of competitors on Saturday and 1 relay of competitors on Sunday. Entry of distinguished competitors may be restricted if range capacity has been reached. Non-distinguished competitors will be given preference. All competitors must certify their eligibility to fire this match. No person may fire this match for practice purposes.

Course of Fire: NRA National Match Course – 30 rounds total

Firearm: NRA Rule 3.1.4 Distinguished Revolver

The revolver must be capable of chambering and firing a 158-grain round nose or semi-wadcutter .38 Special cartridge. It must be a factory manufactured revolver with no external modifications except for stocks which may be modified or changed because of the size of the competitor's hand or to facilitate loading. Exposed holes that have been drilled and tapped for mounting of a scope are not considered to be an external modification.

(a) Trigger - Must have single and double action capability and must be capable of lifting 2 ½ lbs. when the revolver is cocked for single action firing. Triggers will be weighed. Any trigger, sold by the manufacturer of the revolver, without modification, may be used.

(b) Sights - Fixed or adjustable rear sights may be used. An adjustable front sight is not allowed. **(c) Barrel** - Barrel length not to exceed six and one-half inches.

(d) Stocks - Except as set forth above, the right and left stocks must be mirror images of each other. **(e) Ammunition** - Any safe .38 caliber ammunition using the 158 grain round nose or semi wadcutter bullet only.

(f) The following are not allowed: Trigger shoes, compensators of any type or design; any external trigger stop device or any internal trigger stop not originally installed by the factory as original equipment in stock revolvers of the same make and model; tape on the stocks, stocks flared at the base or any substance which results in a sticky surface to the stock or hand.

Pistol and ammunition will be weighed and inspected by the Chief Range Officer. All decisions of the Match Director and/or Protest Committee are final.

Awards: As limited by the number of shooters, points will be awarded by the NRA toward the Distinguished Revolver Badge
