2023 Gun Rights Policy Conference / FREE

Come meet national gun rights leaders and your fellow grassroots activists at the 38th Annual Gun Rights Policy Conference (GRPC 2023) in Phoenix, Arizona. This is your once-a-year chance to network and get an insider look and plan pro-gun rights strategies for the coming year.

The Second Amendment Victory in NYSRPA v. Bruen at SCOTUS opened new ground for RKBA litigation and at the same time has inspired state legislatures to launch full scale attacks. And Joe Biden has proposed confiscation and created dozens of executive orders that include increased ATF audits, suggested arming IRS agents, and anything else the anti-gun crowd can even think about implementing. With the 2024 elections in less than one year, we all need to plan our Road to Liberty.

This year GRPC will be action packed. With over 70 speakers hand-picked from the leadership of the Gun Rights Movement, the topics to be presented promise to have an impact that will help direct the path of our cause for years to come. Scheduled speakers this year include Stephen Hallbrook, John Lott, Massad Ayoob, Mark Smith, AWR Hawkins, John Correia, Ryan and Tom Gresham, Mark Walters, Stephen Gutowski and representatives and staff from SAF, CCRKBA, FPC and GOA as well as leaders of state organizations. Check our websites -- www.saf.org or www.ccrkba.org for updates.

We need your participation. Please take a moment to register today. Because of limited seating, we ask that you register online at www.saf.org/grpc or send an e-mail to grpc@saf.org. For more information call 1-800-426-4302.
