

# Become an IGOLD Sponsor!

The Illinois State Rifle Association is seeking sponsors for the 2024 Illinois Gun Owner Lobby Day (IGOLD) in Springfield, Illinois on April 18th. This annual event is an opportunity for thousands of people from all over the state to assemble at the Capitol and lobby their legislators to support their rights as law abiding gun owners. **Now- more than ever** - we need your support to let our lawmakers know that we will not be silent while laws are passed that trample on the Right to Keep and Bear Arms of our choice. This year, we are pleased to announce **Alan Gottlieb, founder of the Second Amendment Foundation and Chairman of the Citizens Committee for the Right to Keep and Bear Arms as our guest speaker.**

We are offering several levels of sponsorships for this year's IGOLD to support this important event and let your customers, members, and gun owners from around your area know that you are actively involved in the battle against any unconstitutional laws enacted by our state government. Please contact the ISRA office at **(815) 635-3198** or by email at **member@isra.org** with any questions and to sign up your business, club, or organization at one of the support levels listed below.

To meet program printing deadlines, please place your ad by **March 25, 2024**. **Artwork and logos for ads should be submitted by email as a print quality PDF, PNG and JPG are also acceptable at a resolution of 300 dpi.** If you are unable to provide **digital electronic artwork** for your ad, please attach typed text that you want for your ad.

The ISRA is not responsible for errors or omissions.
