Defensive Tactics for Concealed Carry is much more than a basic handgun class. It introduces students to the knowledge, skills, and attitude necessary for using a concealed carry pistol in tactical situations. During the One Day Level I course, students will learn handgun operation, defensive ammunition, gun safety, shooting marksmanship & fundamentals, and handgun shooting activities.

The Level II course is more advanced with multiple targets, moving targets and tactical situations.

Level III course is for advanced shooters who have taken level I and II. It contains shooting on the move, multiple targets, and Force-On-Force
